STABC's Mission:

To raise funds for the ST athletics programs to bridge the gap between what the district can contribute and what it takes to run these programs.

In the 2020-2021 school year, STABC awarded \$8815 in scholarships, athletic awards, and team grants.

So far in the 2021-2022 school year, STABC has pledged \$3,800 toward scholarships and athletic awards, and has approved \$16,320 in team grants!

STABC General Meetings are at 7 pm the first Tuesday of every month Sept-May. Hear updates from our assistant principal, the athletic directors, and coaches. All are welcome!

Visit stabc.org/meetings for meeting details and to join our meeting invitation list.
