2020-2021

The Santa Teresa Athletic Booster Club (STABC) is a 501c non-profit organization operated by parent volunteers that is chartered to raise funds to support the athletic teams at Santa Teresa High School in San Jose, California. The goal is to bridge the monetary gap between what the district contributes and what is actually needed to run the programs. Last year, we provided over \$26,000 in support of our student athletes. A formal grant process is utilized to distribute the funds to the requesting teams.

Donations are **critical** to the success of the STABC.
100% of your donation goes directly to the athletic teams.

In a typical year, the annual Crab Feed and Auction fundraising event is our largest fundraiser. Due to prohibitions on large indoor gatherings due to COVID, for the 2020-2021 year we are pivoting to an online auction event in early April 2021. Examples of donations include, but are not limited to:

- Merchandise
- Gift Certificates and Vouchers
- Hotel or Vacation Packages
- Gift Baskets
- Sports Memorabilia

Donating companies can choose to submit a JPG or PNG of their company logo to be acknowledged on the STABC website (stabc.org).

Thank You in advance for your generous donation. If you have questions please contact the STABC at Donations@stabc.org.

If you are able to donate now, please send donations to:
