The Santa Teresa Athletic Booster Club (STABC) is a 501c non-profit organization operated by parent volunteers that is chartered to raise funds to support the athletic teams at Santa Teresa High School in San Jose, California. The goal is to bridge the monetary gap between what the district contributes and what is actually needed to run the programs. Last year, we provided over \$30,000 in support of our student athletes. A formal grant process is utilized to distribute the funds to the requesting teams.

Donations are **critical** to the success of the STABC.

100% of your donation goes directly to the athletic teams.

In a typical year, the annual Crab Feed and Auction is our largest fundraiser. We are excited to have this amazing event on March 22, 2025, but are in need of your support to help make this a successful fundraising event for our teams. All proceeds from this event will directly support our sports programs. Examples of donations include, but are not limited to:

- Merchandise
- Gift Certificates and Vouchers
- Hotel or Vacation Packages
- Gift Baskets
- Sports Memorabilia
- Sponsorship Opportunities (details attached)

Donating companies can choose to submit a .JPG or .PNG of their company logo to be acknowledged on the STABC website (stabc.org).

Thank You in advance for your generous donation. If you have questions please contact STABC at Donations@stabc.org.

If you are able to donate now, please send donations to:
